VETTING PLANNING APPLICATIONS

The presentation under item 2 of the Agenda (see overleaf) will include a summary of the comments made by the Forum relating to Planning Applications within our Neighbourhood Area – as well as an overview of (a) the number of Applications that have been scrutinised, (b) the number objected to, and (c) the number of successful objections sustained.

DATABASE OF RESIDENTS

It is important for the Committee to have a more complete / accurate database which will enable us to communicate quickly and economically with residents when important matters arise (such as significant planning applications, road closures, etc.). If you are happy for your details to be held in this way, please e-mail them to info@dhnf.org. The information we are seeking is your family name, postal address and preferred e-mail address – these will be held securely by the Forum committee.

NEW COMMITTEE MEMBERS

We would welcome additional help on the Committee to maximise our effectiveness – and to provide cover / successors for the key positions (Chair, Secretary, Treasurer, Planning).

The commitment required to serve on our committee is not at all onerous. To express your interest in this worthwhile activity, please e-mail committee@dhnf.org.
