

Daws Hill Neighbourhood Forum

THE FUTURE OF THE DAWS HILL NEIGHBOURHOOD FORUM ?

Since its formal Constitution on 10th September 2012, the Daws Hill Neighbourhood Forum (DHNF) has represented the interests of residents of “our” neighbourhood area. Notable achievements have included.

- Protection of the character of the area – e.g. influencing a reduction in the housing density of the Pine Trees development, including forcing a Judicial Review
- Getting Bucks County Council to reconsider its Daws Hill Area Public Transport bus link
- Ongoing vetting of local planning applications that have prevented developments such as inappropriate telephone masts and out of character extensions.

However, since 2012 the population of our area has changed – with a number of previous residents departing and new ones moving in. This has resulted in a reduced number of current active DHNF committee members and a reduction in the accuracy of our residents’ database.

- **As a result - and being blunt - both these aspects need to be addressed if the Forum is to continue.**

This important issue will be discussed at the AGM – see details on next page (overleaf).

To express your interest in joining our Committee, please e-mail committee@dhnf.org.

To help determine the future of the DHNF, we are looking to gauge our residents' commitment to its continuance through the response to this flyer and the attendance at the AGM to be held on 19th March 2024.
